COMMISSIONER OF PATENTS AND TRADEMARKS
P.O. Box 1450
Arlington, VA 22313-1450

SIR:

This Petition to Withdraw a Holding of Abandonment is in response to the Notice of Abandonment mailed November 2, 2004, and the subsequent Interview Summary mailed January 11, 2005.

The present application was abandoned as a result of the failure to receive an Office action. In support thereof,
* enclosed herewith is the declaration of Applicants' attorney Timothy B. McBride.

As noted in Mr. McBride's declaration, the non-final Office action said to have been mailed April 20, 2004, was never received by Mr. McBride or his firm. Subsequent to the receipt of the Notice of Abandonment, Mr. McBride performed a thorough review of the file jacket and docket records, and this review indicated that the Office action was never received by him or his firm. Copies of docket records and an application status printout where the non-received Office action would have appeared
* had it been received and entered are enclosed herewith.

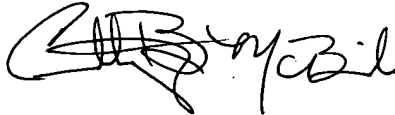

In light of the foregoing, Applicants submit that the

abandonment of the present application was a result of the failure to receive an Office action, and therefore, respectfully request that this Petition Under 37 C.F.R. 1.181(a) requesting withdrawal of a holding of abandonment be granted.

It is believed that no Petition fee is required. However, any fees required may be charged to Deposit Account 19-1345.

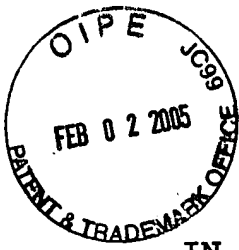

Respectfully submitted,

**DECLARATION OF TIMOTHY B. MCBRIDE ACCOMPANYING THE PETITION UNDER
37 C.F.R. §1.181(a) REQUESTING WITHDRAWAL OF THE HOLDING OF
ABANDONMENT**

I, Timothy B. McBride, attorney for Applicants, declare as follows:

1. On or about October 27, 2004, Examiner Winston notified the undersigned attorney by telephone that a Notice of Abandonment was going to be mailed in the present application for failure to respond to a non-final Office action said to have been mailed on April 20, 2004. At that time, the undersigned attorney briefly reviewed the application file and informed Examiner Winston that neither he nor his firm had received the Office action. Examiner Winston informed the undersigned attorney that he would have to file a petition to revive the application.

2. A Notice of Abandonment was mailed by the Office on November 2, 2004, and received by the undersigned attorney's office on November 5, 2004. It is stated therein that the present application became abandoned for failure to timely reply to an firm action within the shortened statutory period of three (3) months from the mailing date of a non-final Office action

mailed April 20, 2004. It also erroneously stated that applicants' attorney, namely the undersigned attorney, had confirmed abandonment.

3. Subsequent to the receipt of the Notice of Abandonment, the undersigned attorney performed a thorough review of the file jacket. This review indicated that the last paper received from the Office prior to the Notice of Abandonment was an Office action (Election/Restriction) mailed January 30, 2004, to which Applicant filed a timely response on March 1, 2004.

4. On November 12, 2004, the undersigned attorney called Examiner Leith (the Examiner who signed the Notice of Abandonment), leaving her a voice mail message to inform her that he had not previously confirmed abandonment of the application in his conversation with Examiner Winston on or about October 27, 2004, but that instead he had merely stated that if the application had become abandoned, it had become so because neither the undersigned attorney nor his firm had ever received the non-final Office action said to have been mailed April 20, 2004.

5. On November 16, 2004, Examiner Leith returned the undersigned attorney's phone call. At that time, Examiner Leith explained that she would have Examiner Winston mail a Supplemental Notice of Abandonment reflecting the fact that the undersigned attorney had not confirmed abandonment.

6. On January 7, 2005, the undersigned attorney phoned Examiner Leith to inform her that he still had not received a

Supplemental Notice of Abandonment. At that time, Examiner Leith informed the undersigned attorney that she would discuss this with Examiner Winston and have a Supplemental Notice of Abandonment mailed immediately.

7. An Interview Summary, presumably in lieu of a Supplemental Notice of Abandonment, was mailed by Examiner Winston on January 11, 2005, and received by the undersigned attorney's firm on January 18, 2005. This Interview Summary confirmed that the undersigned attorney had not confirmed abandonment of the application, but instead had stated that the application had gone abandoned because he had never received the non-final Office action said to have been mailed April 20, 2004.

8. Since receipt of the Interview Summary, the undersigned attorney has performed a thorough review of his firm's docket records related to this application. Briefly, when the undersigned attorney's firm receives a communication from the Office, it is entered into a computer docketing system by the firm's docketing personnel. Information such as the date the communication was mailed by the Office and all due dates related to responding to the communication are entered into the computer docketing system. A docket sheet is generated and the attorney handling the file verifies all pertinent dates, including all mailing and response due dates. Docket records are also generated that allow the attorney to track the due dates of all matters on his docket.

9. Had the non-final Office action said to have been mailed April 20, 2004, been received by the undersigned attorney

or his firm, it would have been entered into this docketing system and the response due dates would have appeared on the undersigned attorney's docket records. Because the non-received Office action was said to have been mailed on April 20, 2004, a response would have been due by the expiration of the shortened three (3) month statutory response period on July 20, 2004, or at the latest, due by the expiration of the six (6) month statutory response period on October 20, 2004. Accordingly, the undersigned attorney's docket records for July 2004, through October 2004, would have listed the July 20, 2004, and October 20, 2004, response due dates.

* 10. Enclosed with this declaration are the undersigned attorney's docket records and an application status printout from the computer docketing system maintained by the undersigned attorney's firm. Each of these documents would have listed the non-final Office action had it been received by the undersigned attorney's firm. With respect to the docket records, information contained under the "TITLE/MARK", "CLIENT", and "REG/SERIAL#" headings of the docket records has been redacted to protect client confidentiality; moreover, this information is not necessary to demonstrate that the non-final Office action said to have been mailed April 20, 2004, was not received. The enclosed docket records include and reflect the following:

- a) Tab 1 is a copy of the undersigned attorney's docket record for the period covering May 26, 2004, through September 30, 2004, and was printed on July 8, 2004 (see, upper right hand corner of the document). It is noted that the present

application, Reference # PHA4140.6, is not listed on this docket record under the heading "Reference #." Had the non-received Office action been received, it would have been entered into the docketing system, and the three (3) month shortened statutory response due date for the same would have appeared on this docket record between the entry on July 18, 2004, for "UM01482.1" (bottom of page 2) and the entry on July 22, 2004, for "SGMG7882.3" (top of page 3).

- b) Tab 2 is a copy of the undersigned attorney's docket record for the period covering July 3, 2004, through September 1, 2004, and was printed on July 21, 2004 (see, upper right hand corner of the document). It is noted that the present application, Reference # PHA4140.6, is not listed on this docket record under the heading "Reference #." Had the non-received Office action been received, it would have been entered into the docketing system, and the three (3) month shortened statutory response due date for the same would have appeared on this docket record between the entry on July 16, 2004, for "BXTR5870.14" (middle of page 1) and the entry on July 22, 2004, for "SGMG7882.3" (middle of page 1).
- c) Tab 3 is a copy of the undersigned attorney's docket record for the period covering September 23, 2004, through November 16, 2004, and was

printed on October 8, 2004 (see, upper right hand corner of the document). It is noted that the present application, Reference # PHA4140.6, is not listed on this docket record under the heading "Reference #." Had the non-received Office action been received, it would have been entered into the docketing system, and the six (6) month statutory response due date for the same would have appeared on this docket record between the entry on October 19, 2004, for "SGM7077.1" (bottom of page 2) and the entry on October 20, 2004, for "SUP6472.1" (bottom of page 2).

- d) Tab 4 is a copy of an application status printout from the computer docketing program used by the undersigned attorney's firm. Notably, the only "RESPONSE TO OA" headings that appear in this record are those with a "BASE" date (i.e., an Office mailing date) of October 3, 2003, and January 30, 2003 (each of which was responded to in a timely manner). Had the non-received Office action been received, it would have been entered into the docketing system and would have appeared in this application status printout as a "RESPONSE TO OA" with a "BASE" date of April 20, 2004.

11. Accordingly, the thorough review of the file jacket and the docket records indicates that the non-final Office action said to have been mailed by the Office on April 20, 2004, was never received by the undersigned attorney or his firm.

12. I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application, any patent issuing thereon, or any patent to which this verified statement is directed.
